

JULIUS MEINL

SUSTAINABLE SOLUTIONS FOR HOTELS

More than a moment

ABOUT JULIUS MEINL

Founded in 1862, Julius Meinl is one of the oldest coffee roasters in the world and an iconic Vienna coffee house brand. Dedication to premium quality and expert service has been a trademark for five generations. That is why our coffees & teas offer the finest aroma and taste, allowing your guests to savour their coffee moments to the fullest and experience the charm of Vienna's coffee house culture.

JULIUS MEINL WORLDWIDE

- More than 1,000 employees worldwide
- Sold in more than 70 countries
- Over 50,000 customers worldwide
- Production sites in Vienna (Austria) and Vicenza (Italy)
- Around 14,000 tonnes of coffee are roasted every year, allowing more than 4 million cups of Julius Meinl coffee to be served every day.

SUSTAINABILITY AT JULIUS MEINL ...

In the heart of your hotel, where the smell of fresh coffee and delicate teas blend together, something important is brewing. The hotel industry is embracing sustainability commitments towards a better planet and a better world.

Every part of your hotel is important, especially when guests are seeking for an experience that matches their values. It's not just about the taste anymore; it's about the story, the journey and the future of the coffee & tea industry and communities.

At Julius Meinl, we feel a strong sense of responsibility to our planet as well as those involved at every stage of our coffee and tea journey as we work together to bring premium quality to every cup.
